# DoD's DITV PILOT

LAUNCHING NOVEMBER 2017

## WHY DOES IT MATTER?

DoD's 2.3 million military and civilian workforce, located around the globe, presents unique challenges to delivering training on diversity and inclusion's (D&I) role in achieving mission readiness.

DoD's DITV Pilot, accessible 24/7 to everyone, ensures uniform D&I messaging, training and skill-building anywhere and anytime, using computers and mobile devices.

PUTTING DIVERSITY  
AND INCLUSION  
TO WORK

## BENEFITS FOR YOU

- Increases D&I awareness and skills to help you deliver your mission

- Supports you to become a stronger team player/leader to drive mission effectiveness

- Enhances career success, workplace engagement and quality relationships

## BENEFITS FOR DoD

Helps create more inclusive and highly functioning teams and units

Embodies the American ideal of opportunity and liberty for all

Sustains a culture where all are able to contribute their optimal best

Creates leaders at every level who embrace D&I for mission readiness

Assists with recruiting and retaining a diverse mission ready total force
